

## Contents

### *Marine Geology Volume 92, 1990*

#### *Research Papers*

|   |     |
|---|-----|
| Dynamics of the Laurentide Ice Sheet in Hudson Bay, Canada<br>H.W. Josenhans (Dartmouth, N.S., Canada) and J. Zevenhuizen (Halifax, N.S., Canada) .....   | 1   |
| Biostratigraphy, lithofacies and paleoenvironments of the Gulf 718-1 well, U.S. Mid-Atlantic Outer Continental Shelf<br>L.J. Poppe (Woods Hole, Mass., U.S.A.), R.E. Hall (Washington D.C., U.S.A.), H.L. Cousminer (Los Angeles, Calif., U.S.A.), R.W. Stanton (Reston, Va., U.S.A.) and W.E. Steinkraus (San Ramon, Calif., U.S.A.) ..... | 27  |
| A Late Quaternary canyon/channel system, northwest Gulf of Mexico continental slope<br>W.M. Satterfield and E.W. Behrens (Austin, Tex., U.S.A.) .....   | 51  |
| A reconnaissance survey of the Whittard Sea Fan, Southwestern Approaches, British Isles<br>G.S. Reid (Menai Bridge, U.K.) and D. Hamilton (Bristol, U.K.) .....   | 69  |
| Iceberg deformation and erosion in soft sediments, southeast Norway<br>O. Longva and K.J. Bakkejord (Trondheim, Norway) .....   | 87  |
| Interrelationships between porosity and other geotechnical properties of slowly deposited, fine-grained marine surface sediments<br>A. Wetzel (Basel, Switzerland) .....  | 105 |
| Relationship between morphology and composition of manganese nodules from the Central Indian Ocean<br>P. Jauhari (Goa, India) .....   | 115 |
| Correlation between occurrence of manganese nodules and rocks in a part of the Central Indian Ocean<br>S.D. Iyer and R. Sharma (Goa, India) .....   | 127 |

#### *Letter Section*

|  |     |
|--|-----|
| SPHINCS: A system for cataloguing and interpreting seabed photographs of nodules<br>R. Sharma and V.N. Kodagali (Goa, India) .....   | 127 |
| Migration of swash zone, step and microtopographic features during tidal cycles on an estuarine beach, Delaware Bay, New Jersey, U.S.A.<br>K.F. Nordstrom and N.L. Jackson (New Brunswick, N.J., U.S.A.) ..... | 147 |
| A young porcellanite occurrence from the Southwest Indian Ridge<br>G. Bohrmann, G. Kuhn, A. Abelnmann, R. Gersonde and D. Fütterer (Bremerhaven, F.R.G.) .....   | 155 |

#### *Research Papers*

|  |     |
|--|-----|
| Pleistocene dissolution fluctuations from apparent depth of deposition in Core ERDC-127P, west-equatorial Pacific<br>D. Hebbeln and G. Wefer (Bremen, F.R.G.) and W.H. Berger (Bremen, F.R.G. and La Jolla, Calif., U.S.A.) .....  | 165 |
| Modification of a linear bar - trough system by a standing edge wave<br>B.O. Bauer (Los Angeles, Calif., U.S.A.) and B. Greenwood (Scarborough, Ont., Canada) .....  | 177 |
| Modern sedimentary processes in the Wilmington Canyon area, U.S. east coast<br>M.W. Sanford and S.A. Kuehl (Columbia, S.C., U.S.A.) and C.A. Nittrouer (Stony Brook, N.Y., U.S.A.) .....   | 205 |
| A reassessment of sand transport paths in the Bristol Channel and their regional significance<br>A.H. Stride (Petersfield, U.K.) and R.H. Belderson (Godalming, U.K.) .....  | 227 |
| Holocene sediments in a shallow bay, southern coast of Kuwait, Arabian Gulf<br>A.N. Al-Ghadban (Safat, Kuwait) .....   | 237 |
| Correlation of deep-sea sediments and foreereef carbonates in the Red Sea: An important clue for basin analysis<br>T.C. Brachert and W.-C. Dullo (Erlangen, F.R.G.) .....  | 255 |
| Atypical ferromanganese nodules from pelagic areas of the Central Indian Basin, equatorial Indian Ocean<br>S. Roy, S. Dasgupta and S. Mukhopadhyay (Calcutta, India) and M. Fukuoka (Fukuoka, Japan) .....                         | 269 |
| Distribution and geochemical association of clay minerals on the inner shelf of central Kerala, India<br>M. Prithviraj and T.N. Prakash (Trivandrum, India) .....  | 285 |
| Geochemistry of sediments from the Romanche Fracture Zone, equatorial Atlantic<br>E.O. Odada (Nairobi, Kenya) .....  | 291 |
| Tectonic and volcanic evolution of Panarea (Aeolian Islands, Italy)<br>G. Gabbianelli (Bologna, Italy), P.Y. Gillot (Gif sur Yvette, France), G. Lanzafame (Catania, Italy) and C. Romagnoli and P.L. Rossi (Bologna, Italy) ..... | 313 |

|  |     |
|--|-----|
| <i>Current Titles in Marine Geology, Part I</i> .....  | 327 |
| <i>Current Titles in Marine Geology, Part II</i> ..... | 335 |
